# समृद्ध भारत के लिए पंच प्राण

अगले 25 वर्षों की अमृतकाल की यात्रा के साथ हम अपनी स्वतंत्रता के शताब्दी वर्ष में प्रवेश करेंगे। आइए, हम सब मिलकर इस पूरे कालखंड को देश के लिए निर्णायक और अविस्मरणीय बनाएं। इस संकल्प की सिद्धि के लिए 'पंच प्राण' को अपनाते हुए हमें आगे बढ़ना है। ये पांच सिद्धांत हमारे भारतवर्ष को और अधिक ऊँचाइयों पर ले जाएंगे।

विकसित भारत का विराट संकल्प

गुलामी की मानसिकता से मुक्ति

अपनी विरासत पर गर्व

एकजुटता को सुदृढ़ रखना

कर्तव्य निर्वहन को प्राथमिकता

नरेंद्र मोदी

## Vision of Founder Dr Motilal Gupta

**Touched** by the plight of poor and wayward children from neighbouring clusters, loitering aimlessly around our campus, it occurred that these children needed an opportunity to be educated along with some incentive to motivate them to do so. In 2004, we started a unique education program with the establishment of Shirdi Sai Baba School at Faridabad for providing free and quality education to the poor children along with free nutritious food, uniforms, books, study material, sports, health care, and excursions.

**I am glad** that my dream has taken shape and with our support, Sandeep son of a mason has cleared JEE Advanced 2023 and is going to join IIT Ahmedabad. Similarly, one more student Jai Prakash Tomar has joined Indian Army and recently Vishakha and Tina both daughters of single parents have won gold and silver medals in Haryana State Karate Competition and now they have been invited to represent Haryana in National Level Competition. These are some of the stories of success.

**I wish** more philanthropists could take up similar cause of providing free and quality education to the less fortunate children and make India shine by uplifting the underprivileged.

(Happiness of students receiving free education with amenities)

## Dr Motilal Gupta Shaping Next Generation of Less Fortunate

With an entrepreneurial spirit and an unwavering dedication to providing free and quality education, Dr. Motilal Gupta, founder Chairman of Shirdi Sai Baba Temple Society at Faridabad (Haryana) and Niswara Dist. Mahoba (UP) is transforming the landscape of education of underprivileged children. His strong determination and futuristic outlook positions him as a natural born leader who is guiding its educational institutions to new heights of success.

Dr. Gupta's dynamic energy and innovative visionary mindset make him a driving force for providing free education with nutritious food, uniforms, books, stationery, health care, and excursions. Dr. Gupta exudes vibrant energy and serves as a constant source of inspiration for all those who are involved with him in providing various services to the Humanity.

His remarkable leadership has propelled "Shirdi Sai Baba Schools", "Sai Dham Academy", "Vocational Training Centres", "Sai Dham Medical Centres", and "Sai Dham Social Welfare Centre" to new heights. Many other activities undertaken under his guidance are Sai Dham Green Revolution, Centre for making Compost out of kitchen and garden waste. Adopting of villages and supplying village women folks free in house produced sanitary napkins for their health and hygiene, collection of unsoiled clothes, utensils, toys, and shoes, recycling, sorting, packing and distribution in two truck-loads per month to underprivileged people in far flung villages of backward areas, who do not have adequate clothes even to cover their bodies, has been appreciated by one and all.

With his visionary outlook for the future of professional education, Sai Dham Academy was set up in 2022 for preparing students for competitive examinations. This year itself one of its students, Sandeep (SC), hailing from a poor family has cleared JEE Advanced 2023 with AIR Rank 4333 and is joining IIT. The flagship institution, Shirdi Sai Baba Schools, stand out as one of the premier educational institutions in Faridabad (NCR) and Bundelkhand (U.P.). Under Dr. Gupta's astute guidance, it has consistently achieved 100% pass percentages in CBSE for classes X and XII since its affiliation in 2017.

Shirdi Sai Baba Schools take a unique holistic approach to equip students for their overall development and thus provide them with a strong foundation for a successful future. It has received accolades as one of the leading institutions providing absolutely free and quality education with many amenities.

Dr Gupta's ability to anticipate futuristic trends and his adapting to ever changing educational needs has enabled Shirdi Sai Baba Schools to stay ahead of others by providing quality education which prepares students for the challenges of tomorrow. He has equally contributed to the institution's culture of Innovation and Excellence.

In recognition of his exceptional contributions to successfully uplift the underprivileged through his many actions and services, Dr. Gupta has received numerous prestigious awards. Notably, he was honoured with a Doctorate and Mahatma Award. Other awards received are Best School Award and Excellence Award, SCOCH Order-of-Merit in Vocational Training. These awards reflect his exceptional leadership skills and dedication to building institutions that promote excellence in education.

Dr. Motilal Gupta says, "I firmly believe that education is not just about acquiring knowledge, but it is also about developing skills, fostering innovations, and nurturing the next generation of leaders. At Sai Dham, we strive to create an ecosystem that empowers students to excel in their respective fields and become valuable assets to the society. Our commitment to free and quality education and our focus on holistic development enables us to shape the future of education and prepare students for the ever-evolving global landscape."

Dr. Gupta also adds that Institute's credentials in terms of academic achievements, professional accomplishments, and placement records bear testimony to its commitment to Excellence. We firmly believe that support, guidance, and assistance play a pivotal role in transforming students into professionals with sheer excellence and sharp focus.

It is for everybody to appreciate how thoughts have wings and an individual effort can achieve the impossible. Likewise, 'haves' should come out to uplift 'have-nots' and provide the underprivileged children free and quality education with nutritious food, uniforms, study material, health care, and excursions.

Dr Gupta, is an example of how an individual's untiring efforts coupled with determination, dedication, honesty of purpose, possessing in-dominative courage and capacity for sustained hard work of sixteen hours a day at an old age of 89 years can achieve. This has improved lives of a large number of underprivileged persons and has provided them relief from miseries of life.

The uniqueness of Dr Gupta lies in the fact that starting each of his activities at the lowest level, he has taken them to recognizable heights where they stand today and which have received appreciation all-around. Every aspect of sewa (ideas of serving the Humanity) arising in his mind has been executed with excellence which is borne out by the well-known facts.

With sincere gratitude of all well-wishers and supporters.

Sandeep Gupta  
Sr Vice Chairman

## Sai Dham in the Services of Humanity

It gives me immense pleasure to share with you growth of Sai Dham, which started its journey in the year 1987 with a small temple of worship wherein a small sapling was planted by Dr. Motilal Gupta and (Late) Smt. Kanta Gupta. Dr. Gupta is an extraordinary philanthropist. He is the founder Chairman of Sai Dham which was registered in 1988 as Shirdi Sai Baba Temple Society, a non-for-profit organization at Faridabad.

Dr Gupta established Shirdi Sai Baba School at Faridabad, in 2004, to provide free and quality education to less fortunate children with nutritious food, uniforms, books, stationary, and excursions. Dr. Gupta has a dream that one day each and every child of India should receive free and quality education.

In 2013, a branch of Shirdi Sai Baba School was established in the remote village of Niswara, District Mahoba, Uttar Pradesh, in order to provide free and modern education to the rural and less fortunate children. The school is now granted upgradation up to class XII by UP Board of Education.

Under the divine leadership of Dr. Motilal Gupta the organization is now running two schools where more than 2,000 less fortunate children are provided free and quality education with aforesaid amenities. The School at Faridabad is affiliated to CBSE up to XII standard and for last five years, school's CBSE Board result for both X and XII classes has been 100%.

The other socio-oriented activities organized by him include running of dispensaries; providing vocational training with placements particularly to rural youth; organizing 100 free mass marriages per year besides gifting them numerous household items that range from sewing machines to gas burners. In addition, distribution of clothes in far flung backward areas and distribution of sanitary napkins, a in-house production, has been initiated for rural women keeping in mind their health and hygiene.

During 1st and 2nd Phases of COVID 19, free food was served to the migrant labour and suffering families in Faridabad. Masks, medicines, oximeters, and thermometers were distributed free in large numbers through organizations in various states, besides local administration.

Dr Gupta established "Sai Dham Academy", in 2022, for students to prepare for competitive examinations. As a result, one student cleared JEE Advanced 2023 and got admission in IIT.

Everyone, who visits Sai Dham, gets convinced that 'Serving the Humanity' at such a large scale can be achieved only by a person of exceptional personality like Dr Gupta. His astute management skills, enthusiasm and hard work can be matched by none.

I take this opportunity to convey my gratitude and regards to all our well-wishers for their regular support.

Poonam Gupta  
Vice Chairperson

## From the Principal's Desk

My affiliation with Shirdi Sai Baba School commenced in 2005 when I joined it as a teacher. I was promoted as Principal of the school in 2010 and was asked by Dr Motilal Gupta to take the school forward in the vast field of education to the underprivileged children. I took it upon myself to come up to his expectations and have strived hard to take the school forward to its present par excellent state under Dr. Gupta's leadership, guidance & mentorship.

I distinctly recollect that in 2004-05 there were only 64 less fortunate students who used to visit Sai Temple for taking prasad. Dr Gupta ensured that besides free education these children were provided with nutritious food, uniforms, books & Stationary, health care, and excursions at no cost to their parents.

Dr Gupta guided me in nurturing and developing these underprivileged children into wholesome personalities. Results of our efforts bore fruit and, as on date, we can see the rush of parents coming for admission of their wards. It is, indeed, mind boggling to see the demand and interest of new comers for enrolment. It has been possible due to our par excellent Board results due to untiring dedicated efforts of our worthy teachers kudos to them.

Akin to a few of the best private schools, we have 5 computer labs having 151 computers, 34 Smart Classes, well equipped chemistry, biology, physics and math labs. We also have 2 well stocked libraries with 10,000 books consisting of encyclopaedias, text books and reference books etc. The school has spacious Auditorium with a capacity of about 300 people with large LED Screen of 12'x8'. RO cooled water has been available on each floor of the four storied school building. There is a dedicated sports room for indoor games and large playground for outdoor games.

The school also focuses on all round development of the children by giving them an opportunity to involve in indoor and outdoor extra-curricular activities. The students have excelled in various inter school, state & national level competitions. We have now become a name to reckon with.

Many Alumni have joined Defence Services, few have become Engineers, Doctors, Accountants and majority of them are well placed in different professional areas. Dr Gupta has financially assisted many of our Alumni who needed support for higher studies through numerous philanthropists.

I adhere to the noble teaching of Dr Gupta namely, "Always do everything possible to uplift the "Underprivileged of the Society."

Beenu Sharma  
Principal

### Symbols

*That Stand for Clarity & credibility...*

*.....with a rich legacy spanning more than three decades, Sai Dham has always upheld the values: Clarity and credibility. As India's leading house of service to underprivileged, it stands by our daily resolve to continue upholding the truth in our essence.*

1. Free and Quality Education to 2000+ underprivileged children with food, uniforms, books, stationery, health care & excursions.
2. CBSE affiliated upto Senior Secondary Level in 2017.
3. 100% CBSE Board result in X and XII classes since affiliation.

## Cutting Diamond Out of Coal

**AIR 4333**

**SANDEEP**

**Congratulations!!**

A moment of Joy and Pride for the whole family of Sai Dham under the mentorship of Dr. Motilal Gupta Ji, whose tremendous efforts made a dream come true for an under-privileged student of Shirdi Sai Baba School, and free coaching from Sai Dham Academy "Sandeep", who scored AIR 4333 in JEE Advance 2023 and got a chance to secure a B.Tech, seat in India's Prestigious IIT Institute.

*We wish him all the best.*

*Sandeep with his parents*

*Sandeep being congratulated by Dr Motilal Gupta*

***"The new era is here. Momentous events are reshaping the lives of millions, and will improve the fortunes of underprivileged for decades to come."***

A meritorious student of class XII of Shirdi Sai Baba School, Faridabad, SANDEEP, son of a labourer, has cleared JEE Advanced 2023 with AIR 4333 rank. He has got admission in IIT. His full education, hostel, and other expenses are being borne by Sai Dham with the help of philanthropists.

# TRANSFORMING LIVES TRANSFORMING INDIA

While studying in Shirdi Sai Baba School, Jai Prakash Tomar became orphan at the age of 12 years along with his two younger siblings. No sooner Dr Motilal Gupta came to know of this sad happening, he took it upon himself to support Jai Prakash Tomar and his two siblings financially. Jai Prakash Tomar had a dream to serve the Indian Army. The school gave wings to his dreams and Jai got selected in the Indian Army. He is an inspiration for many less fortunate children and their families.

**He has proved beyond doubt that the education is a weapon that fights poverty and makes one a winner!**

**The Nation will progress when all “less fortunate” children are able to get nutritious food, clothing, quality education, appropriate health care, and excursions.**

## IMPACT SAI DHAM

## BRILLIANT STUDENTS STORY 2023

### Nitesh - Class IX

Nitesh's father is a priest. After the death of his wife, he shifted to Faridabad and got Nitesh admitted, in 2019-20, in Shirdi Sai Baba School which provides free and quality education with amenities.

It was an uphill task for Nitesh to cope up with English medium instructions. It was due to his hard work and excellent guidance of the teachers that he emerged as a shining star in class and stood 3rd in class VIII. He now aspires to come first in class IX. We are very optimistic of his bright future.

### Juli - Class X

Juli belongs to a lower income group family where her father, Sh. Mohan Kumar Jha, could just make two ends meet with great difficulty. The family consists of four children. He never thought that he shall be able to educate his children due to the financial constraints.

Juli had always dreamed of studying in a good school and get good education. She got this golden opportunity in the form of Shirdi Sai Baba School which proved to be a blessing in disguise for her. She has done wonderfully well in her studies right from class I to class IX and has secured 88.2% marks in class IX exams. She is confident that she shall perform well in class X and shall come out with flying colours in her forthcoming Board Exams.

### Deepika - Class X

Deepika is a student of Class X and has been with us from class I. Belonging to an average family, her father, Shri Chandra Prakash works as a helper in a factory. It was difficult for him to educate his children. In Shirdi Sai Baba School he got a golden opportunity to educate his daughter free of cost with so many added facilities where she could be groomed further. She is a very keen, and intelligent student who scored 80% marks in class IX.

She has also excelled herself in other extra-curricular activities namely dancing and is also member of school carrom team. Well done, Keep it up.

### Aryan Chauhan - Class I

Aryan Chauhan S/o Sh. Sunil Chauhan hails from an underprivileged family. His parents were determined to give him a better future. They admitted him in Shirdi Sai Baba School where 100% free and good education with amenities is provided. Aryan is excellent in his studies. His teachers noticed his potential and developed it further by guiding and motivating him to perform better. This is evident from the fact that he scored 100% marks in Pre-school - KG class examination.

Shirdi Sai Baba School provides free education, resources and amenities to the children like Aryan who otherwise may not have had access to good education. Aryan is just a small child with a formative sharp brain which is being moulded by understanding teachers. Given proper guidance we expect him to do well in his studies.

### **Babita - Class XI**

"When the 'going' gets tough, 'Tough' gets going". This 100% applies to Babita who is a determined, sincere and dedicated student of class XI.

As the luck would have it she was diagnosed with brain tumour but in spite of the heart breaking news she did not lose heart and passed her class X exams with flying colours. Her will power and positive attitude towards life and her studies ought to be appreciated. She gives total credit for all this to Dr Motilal Gupta the Chairman, for providing her ample opportunities to pursue her dream of studying.

Unfortunately, her father lost one leg and being from poor family he was finding it difficult to bear family expenses. In the school here she got free education with amenities. She, throughout, got suitable guidance and motivation from our Principal Madam Beenu Sharma to remain focussed in her studies. She is presently studying in class XI commerce stream.

### **Disha - Class IX**

Disha's father is working as a laborer in a factory and could not afford to educate Disha and four siblings. Her father approached Shirdi Sai Baba School when she got admission.

Disha, who is student of class IX, has proved to be very good in her academic performance. She got 86% marks in her class VIII examination. The school is working on making these kids capable enough not only in academics but also in various other

fields. She got third prize in group dance competition held at Rajasthan Academy, Delhi. She also won award in poster making competition at Suraj Kund Craft Mela. "The future belongs to those who believe in the beauty of the dreams". She dreams of being a "Chartered Accountant".

### **Drishti - Class IX**

Drishti is presently studying in class IX. She got admission in Shirdi Sai Baba School in class VIII. Her father, Mr. Avdhesh Kumar Raghav, was finding it difficult financially to provide education to her. Shirdi Sai Baba School is the place where Drishti got free and quality education. Drishti has been performing very well not only in her studies but also has excelled in many extra-curricular activities. She scored 96.4% marks in class VIII and got first position. She participated in many Science Seminars and won several

medals. She also achieved 3rd position in RJ Competition which was held in Surajkund Craft Mela in 2023. She got the privilege to meet the President of India, Mrs. Draupadi Murmu, on 14th November 2022 in the school group.

Shirdi Sai Baba School wishes her very best for her bright future and we are very confident that she will definitely succeed in her life.

**MISSION  
INTEGRITY  
EXCELLENCE**

## Seeking Your Support

### Shirdi Sai Baba Temple Society

Sai Dham, Sai Dham Marg (Tigaon Road), Sector 86,  
Faridabad 121014, Haryana, India

#### Seeking your kind support

Shirdi Sai Baba Temple Society, by philanthropic support, has established its name in structuring the core of a child in such a manner that the child becomes a privileged child of the parents and a respectful citizen of the country.

#### Objective:

Shirdi Sai Baba Schools are EDUCATIONAL INSTITUTIONS like other best schools - BUT AT NO COST TO THE PARENTS!! – Along with 100% free and quality education to the less fortunate, nutritious food, uniforms, books, stationary, medical benefits are provided and care is taken for their personality development. The activities being rendered by the institution have been lauded by one and all including several dignitaries.

#### Rational

Doubtless, education is the most powerful catalyst for social transformation. Realizing this, Shirdi Sai Baba Temple Society, beginning in the corridors of education, adopted unique life cycle approach of development, focussing its interventions on less fortunate children, their families and the larger community.

#### Support under Corporate Social Responsibility

The Activities are implemented as guided under Companies Act 2013, Section 135, Schedule VII Clauses I, II and III of Corporate Social Responsibility (CSR) as prescribed by Ministry of Corporate Affairs, New Delhi. To continue with the noble causes we humbly request you to please grant us your valuable support under CSR.

#### 1. Sponsoring Education:

You may kindly sponsor free and quality education of a few children @ Rs. 15,000/- per child per year with uniforms, books, study material, health care, and excursions.

#### 2. Sponsoring Food:

You may kindly sponsor food for 1500+ children @ Rs. 15,000/- per day.

#### 3. Sponsoring Mass Marriages:

Mass Marriages of 100 girls hailing from less fortunate families are performed four times in a year in batches of 25 each, to reduce burden of the parent. You may kindly sponsor mass marriage @ Rs. 25,000/- per marriage.

**Indian Donations Qualify Tax Exemption u/s 80 G of the Income Tax Act.**

## Sai Dham Activities

Shirdi Sai Baba Temple Society is a registered non-for-profit, free educational Institute and it aims to have a positive impact on the society. It works towards implementing holistic social development projects related to Education, Women Empowerment, Skill Development, Healthcare, Health & Hygiene (Preventive Health care), and Livelihood.

*Independence Day Celebrations at Shirdi Sai Baba School, Faridabad*

### 1. Free & Quality Education

Touched by the plight of underprivileged children from neighbouring clusters, loitering aimlessly around our campus, it occurred to us that these children needed an opportunity to be educated along with some incentives to motivate them. We, therefore, in April 2004, established 'Shirdi Sai Baba School' at Faridabad (Haryana) to provide 100% free and quality education to underprivileged children with nutritious food, uniforms, books, study material, sports, health care and excursions. These measures bore fruit and the number of children has since risen to 1550 at Faridabad and 450 at Niswara Dist Mahoba (Backward Bundelkhand in UP). More than 50% of these children are girls. The schools have reached standards which are as good as any other public school in India. The school at Faridabad is affiliated to CBSE upto Senior Secondary level with English medium and school at Niswara is upgraded upto class 12 by U.P. Board.

#### (a) Pre-School - KG Classes

It is a well-known reality that a child's brain maximum develops between 3 to 6 years. Underprivileged rural children of the society need special attention at this age. Keeping this in view we have set up Pre-School-KG classes on the basis of performing arts under guidance of Buildingkidz Inc. USA. It has resulted in better performance, an increase in their desire to learn and there has been a distinct improvement in their IQs.

*Play by KG class students*

*Pre-School: KG Class Activity Room*

### (b) High Quality Computer Education

Education of the children has to be compatible with the modern technology. We have set up five new Technology Based Computer Labs consisting of 151 Computers with Internet, Printers and LCD facilities. For overall development, coaching is being done under the directions of NIIT Foundation.

### (c) Smart Classes

For bringing a successful transformation to Digital Technology, thirty four Smart Classes, with 'interactive boards and projectors' have been introduced. Teachers now use videos, animations, live images and captivating graphics right inside their classrooms, thus, making learning much more interesting and effective for the students.

*Computer Class*

*One of the Smart Classes*

### (d) Excursions

At institutions' cost, students are sent on excursions from time to time to Ranthambhore Sanctuary, Agra, Fatehpur Sikri, Bharatpur, Amrit Udyan (Mughal Gardens), and many other places in and around Delhi. It provides children recreation, enriches their knowledge and broadens their mental outlook.

### (e) Changes Brought in

Nutritious food and regular Health Care have resulted in better health and has brought glow and smile on their faces. As a result children have started taking more interest in their studies and are more regular in attending the school.

### (f) Other Facilities

A well-furnished Library, excellent chemistry, physics, biology and maths labs, meditation, cultural activities, indoor, and outdoor sports facilities are also provided to the students.

*Excursion to Taj Mahal, Agra*

*Children enjoying nutritious food*

## 2. Branch of School in Backward Area of U.P.

Education is essence of progress and it needs innumerable temples of learning. Our organization is committed to promote free and quality education all over the country to ensure that no child remains illiterate. In pursuance of this mission, we have set up a branch of Shirdi Sai Baba School in Bundelkhand's backward Village Niswara, Block Panwari, District Mohaba (UP).

*Shirdi Sai Baba School, Niswara, Dist. Mahoba (UP)*

*Class Room of Shirdi Sai Baba School, Niswara*

## 3. Sai Dham Academy

Sai Dham has established world class Academy in Faridabad where students are given free academic guidance, and taught to prepare for competitive examinations and select career options as per their desire.

## 4. Skill Development

To provide an opportunity to youth hailing from under-privileged segment of the society, the institution is imparting free vocational training in the fields of 'Industrial Sewing Machines, Domestic Tailoring, Dress Designing, Beauty & Wellness, Computer Education and General Duty Assistant (Patient Health Care). After completion of the training our Institution assists them in placements.

*Industrial Tailoring Class, Vocational Training Centre*

*Beauty & Wellness Class, Vocational Training Centre*

*Domestic Tailoring Class*

*Fashion Design Tailoring Class*

### 5. Mass Marriages – A Real Boon to Poor Families

To mitigate hardships of poor parents, Mass Marriages of about 100 girls are performed four times in a year, irrespective of caste, creed and without any expenditure whatsoever to the parents. So far more than 1200 marriages have been performed. This is being done primarily to solve financial difficulties that the underprivileged people face in arranging funds for marriage of their daughters. They, often, are forced to borrow thousands of Rupees on interest even @ 5% per month and which they are unable to repay back throughout their lives.

*Mass Marriage Event*

*Eye Clinic at Sai Dham*

### 6. Health Care Services

When in 1987 Shirdi Sai Baba Temple Society was established, a need was felt that we should serve the cause of the underprivileged and needy through health care. Therefore many Charitable Dispensaries were established which are serving about 500 patients daily through:

1. Homeopathic Clinics
2. Allopathic Clinic
3. Eye Clinic
4. Acupressure Clinic
5. Psycho Neurobic Clinic (Balancing of seven chakras without medicines)
6. HIV-AIDS and Family Planning Awareness
7. Blood Donation and COVID 19 Vaccination Camps

### 7. Manufacturing and Distribution of Sanitary Napkins

The unhygienic period health and disposal practices can have major consequences on the health of women. This increases the chances of reproductive tract infections, urinary tract infection, hepatitis B infection and various types of yeast infections, and even cervical cancer, to name a few, in women. For safeguarding their health, we manufacture and distribute Sanitary Napkins free to rural girls and women.

*Sanitary Napkin Manufacturing*

*Sanitary Napkin Distribution*

## 8. Distribution of Clothes

In India, 60-70% tribal and poor people do not have adequate clothes to cover their bodies. The situation is worse during winter season. We collect unsoiled old clothes, toys, shoes, and utensils etc., recycle them and send two truck-loads per month to our associates in Bihar, Jharkhand, Chhattisgarh, Madhya Pradesh, Uttar Pradesh and Maharashtra for free distribution to tribal and poor people.

*Distribution of Clothes*

*Making Organic Compose and Bio Enzyme*

## 9. Conversion of waste into Organic Compose and Bio Enzyme

Students are being taught here to convert kitchen and garden waste into organic compose and even through kitchen waste of their houses. Thus reducing accumulation of waste and converting into useful pesticides free of chemicals. They are also taught to make Bio enzyme from fruit peels mixed with jaggery, useful as harpic, floor cleaning and as pesticide.

## 10. Tree Planting Initiative of Sai Dham

Beautiful garden is developed in Sai Dham and two public parks in sector 15 Faridabad are maintained by the Organization. Trees take carbon dioxide from the atmosphere for their own growth and produce oxygen which we breathe. Shirdi Sai Baba Temple Society (Sai Dham) has planted and is maintaining 69 suitably distanced Neem Trees at Sai Dham Marg, Sector 86, Faridabad on the verge of the road with tree guards. Sai Dham's initiative for mother nature will be advantageous to generations to come as it will give shade, clean & cool air, and place for birds to make nests. The neem tree is of great importance for its disinfectant properties. It is used for maintaining soil fertility and its extract is added to fertilizers as a nitrification inhibitor. Neem has traditionally been used as a teeth cleaning twig. It is also useful for cure of many diseases.

## Sai Dham Services lauded by Hon'ble Sh. Krishan Pal Gurjar

MOS of Power & Heavy Industry, Government of India

**Shirdi Sai Baba School**, Faridabad, celebrated its 18th Annual Day on the 24th of December, 2022. Many eminent dignitaries were present at the Annual Day Celebration, including Hon'ble Sh. Krishan Pal Gurjar, MOS of Power and Heavy Industries, Government of India as Chief Guest, Trustees, Principal, Teachers, Students and their Parents. The program started with lighting of the lamps by the Chief Guest and other Dignitaries. An elaborate science exhibition was displayed by the students. The Principal invited various students to come on stage, who had represented the school on different platforms and had brought glory to the school. The Founder Chairman Dr Motilal Gupta along with the Senior Vice Chairman Shri Sandeep Gupta, Trustee Shri Pradeep Singhal and the Principal Ms Beenu Sharma Honored the Chief Guest Hon'ble Sh. Krishan Pal Gurjar by offering a Shawl and Flowers, a Memento and a Beautiful Pencil Sketch of Sh. Krishan Pal Ji's drawn by a student. The head Boy and the head Girl invited the students to present various mind-blowing performances which got a standing ovation from the audience, it was directed by Mr. Shivam Dixit. The choir group mesmerized the audience and dignitaries with beautiful melodic songs. The parents kept cheering for their children who were performing on the stage.

**Hon'ble Sh. Gurjar** then handed over 30 desktops to meritorious girl students. He also handed over certificates and prizes to deserving students. The Chief Guest in his speech appreciated the science exhibition, academic and stage performances. He lauded Dr Gupta's efforts in uplifting the less fortunate through his numerous services including excellent free education with amenities. He recalled that Dr Gupta is a visionary and set up Sai Dham when the area was uninhabited and had no proper road, electricity and phones. Today it stands tall as compared to other institutions and even the road has been named by the Municipal Corporation as "Sai Dham Marg". Ms Beenu Sharma principal proposed vote of thanks and extended her warm regards to everyone present.

## Home of Hope Inc. USA

*Ms. Rita Sharma & Mr. Rajesh Relan Board Members of Home of Hope inc, USA on a visit to Sai Dham on 24th Aug. 2022 and appreciated the services rendered by Sai Dham to uplift the less fortunate.*

*Dr Nilima Sabharwal with Dr Motilal Gupta, Founder Chairman, Ms Poonam Gupta, Vice Chairperson and Ms Beenu Sharam, Principal along with teachers and students*

### A COMPLETE SEVA HEAVEN

I have visited several Seva Places in my HOH career....but Sai Dham is one of a kind ! The Founder, Dr Motilal is a true AMBASSADOR OF SEVA ! I felt very humble in his presence. This Selfless, Seva Daari has created a complete SEVA HEAVEN KINGDOM, in Faridabad (Haryana)

Several years ago, this place was a jungle. These children were aimless, wandering vagabonds with nothing to do except steal. Mr Motilal had a Divine Calling to start a school to feed and educate needy children! Hence Shirdi Sai Baba School was set up in 2004.

Everything was OK except the computer lab. There were atleast 20 computers in this spacious room, with 3-4 kids per computer. This is one area where they needed major HELP .. All the computers were outdated .... Thank you Rita Sharma for giving me this opportunity to witness such high quality, superior SEVA ..... which would get a TQM SCORE of over 100%.

Home of Hope decided to upgrade Shirdi Sai Baba School computer centre to conduct a basic IT course for underprivileged kids in Faridabad. This was done through NIIT Institute of Information Technology and US\$ 30,000 was released to NIIT to supply 24 new desktops with UPS, and for providing three years computer teaching on their behalf. The ultimate goal was to prepare the kids for higher education and to have productive lives and exit from life in the slums.

FIGHT  
CLIMATE  
CHANGE**

**Jaago RE!**

OUR FAVOURITE CHILDHOOD POEMS WILL CHANGE  
IF WE DON'T SAVE WATER.

**Jaago RE!**

## Our Childhood

Machali jal ki hai rani  
Jeevan uska hai paani

## Our Kid's Future?

Par paani mein plastic phekte rahe hum  
Machhli ko tadapte dekhte rahe hum

**TO  
FIGHT  
CLIMATE  
CHANGE**

**Jaago RE!**

We seek your co-operation to **FIGHT CLIMATE CHANGE**

I am glad that Shirdi Sai Baba School which is providing free education with amenities to the underprivileged children has been achieving 100% pass result since affiliation to CBSE in 2017. This shows the change Dr. Gupta has brought in the children who hail from poor segment of the society and had no hopes of getting education."

Shri Krishan Pal Gurjar , Hon'ble Minister of State, Govt. of India

"I have visited several Seva places in my HOH career.... But Saidham is one of its kind! The founder, Dr. Motilal Gupta is the true ambassador of seva! I felt very humble in his presence. This selfless, Seva Daari has created a complete SEVA HEAVEN Kingdom in Faridabad. HOH feels blessed that it played the initial role as an ignitor/catalyst, but the true credit goes to Dr. Motilal Ji for moving forward and pushing the boundaries with resilience and intrepidity."

Dr. Nilima Sabharwal, Founder and CEO, Home of Hope, Inc., USA

"I am absolutely thrilled to witness the marvelous achievements being made in the social sector by Shirdi Sai Baba Temple Society. They are doing exemplary work for the benefit of the underprivileged. I wish the society, Sh. Motilal Ji and others good luck in their endeavor."

Dr. Rakesh Gupta, IAS

"I am impressed by the amazing contribution made by Sh. Motilal Gupta, Shirdi Sai Baba Temple Society and its members in the field of education to the children coming from under privileged sections of the Society who are particularly vulnerable to bad influences and exploitation. This School is not only imparting education to more than 1400 poor children but also indirectly helping uplift many families. I wish them good luck."

Shri Shatrujeet Kapur, IPS

"Man with mission and vision i.e. Shri Motilal Ji Gupta popularly known Sant at SaiDham. Impressed to see the contributions of Dr. Gupta towards the Society and Mankind. Truly great job is being done by Sai Dham Society. Having visited and participated in the marriage ceremony of 25 couples. Wishing all the best to the newly weds and organization."

Shri Sameer Pal Srow, IAS

"It is heart-warming to learn that the Shirdi Sai Baba Temple Society popularly known as Sai Dham has aims and objectives by running various projects based on education, health, livelihood and nutrition. It is education that greatly helps the lower class of society joining the mainstream. I extend my heartiest best wishes and congratulation to Dr. Gupta for all the drives undertaken by him."

Shri Vijay Rupani Former Hon'ble Chief Minister, Gujarat

"I am very happy to know that Shirdi Sai Baba Temple Society is doing noble work in the field of education, Healthcare, livelihood and women empowerment in over 95 remote villages and slums across 4 states in our country. The multidimensional social aspect taken up by the organization is imperative for the development of the nation. Inducing effective education amongst the poor children will inculcate ideas in them to move ahead in the positive direction."

His Excellency Shri Kummanam Rajasekharan, Former Hon'ble Governor of Mizoram

# Grateful for their Support
