Shaping the Generation of Underprivileged - Dr Motilal Gupta

With an entrepreneurial, socialist spirit and an unwavering dedication to providing absolutely free and quality education, to the poorest of the Poor, with food, uniforms, books, stationary, health care, and excursions, Dr Motilal Gupta Founder Chairman, Shirdi Sai baba Temple Society popularly known as Sai Dham, is transforming the landscape of education of the underprivileged. His strong determination and futuristic outlook position him as a natural-born leader, guiding educational institutions to new heights of success.

Dr Motilal Gupta's visionary mind set make him a driving force for innovation in education of the underprivileged. Renowned for his sincere commitment to free and quality education, Dr. Gupta exudes vibrant mindset and serves as a constant source of inspiration for the esteemed Shirdi Sai Baba Schools. His remarkable leadership has propelled Shirdi Sai Baba Schools, Sai Dham Academy, Shirdi Sai Baba Vocational Training Centre to outstanding accomplishments and continuous growth. With his visionary outlook for the future of professional education, and his astute guidance consistently achieved highest pass percentages of all classes, and CBSE results for X and XII since affiliation in 2017 has been 100%.

Dr Motilal Gupta firmly believes that education is not just about acquiring knowledge, but also about developing skills, fostering innovation, nurturing the next generation of leaders, and striving to create an ecosystem that empowers students to excel in their respective fields to become valuable assets to the Nation. His commitment to quality education and his focus on holistic development enables him to shape the future of education and prepare students for the ever-evolving global landscape.

Recognized as one of the top School takes a unique approach to equip students for their overall development, providing them with a strong foundation for a successful future.

In recognition of various educational activities and his exceptional contributions to free and quality education, as also preparing students for competitive examinations has received numerous prestigious awards.

He to empower youth, especially women has started skill development centre which offers various courses like, General Duty Assistants (Patient Health Care), Basic Computer Education, Advance Computer Courses, Tally, Beauty & Wellness, Domestic Tailoring, Dress Designing, and Industrial Tailoring. After training many are placed in various fields such as tailoring in export houses, hospitals, as data entry operators, beauty clinics and many more.

In line with his mission of uplifting the underprivileged, he has initiated coaching of advance computer courses such as PYTHON including AI for equipping underprivileged students with computer programming skills that will empower them to pursue careers in various emerging fields such as software engineering and applications, multimedia, animation, web development, cyber-security, data science, and many more.

Dr. Gupta is a father by heart and understands the pain of every parent, so he decided to perform marriages of poor girls with gifting them numerous items like Singer sewing machines, clothes, utensils, bedding, ceiling fan, gas stove etc... and so far, 1276 couples are living a happy married life after tying nuptial knot at Sai Dham under his blessings. He is a great visionary and a human sent to earth to serve the humanity in every best manner he can, who always think of others before self.

From the Principal's Desk

A Journey to Uplift the Underprivileged

Life is a journey and it is all about learning... These words go well with my journey with Sai Dham. My journey through all these years was a new learning for me and still I am learning new things with every passing day.

We aim at making our students capable enough to be self managed individuals who can confront the challenges of life without wavering. Our children are not only taught to fly high in the open sky of tremendous opportunities but also to stay attached to their roots. Our school has now earned a brand name for itself, which is known far and wide for its free technology-based quality education and grooming of young minds.

We strive to render a common learning platform where the students of all age groups, regardless of any challenges, are warmly welcomed and conscientiously supported to learn, contribute and participate in all aspects of life at school. We have an efficient team of special educators who cater to the special needs of the students and guide them to cope with mainstream education. The mentors at Sai Dham are competent, efficacious and informed communicators with a broad spectrum of interests. They are not mere instructors but learned and devoted Gurus that our students see in them role models with character, excellence and commitment.

Our school imparts value and skill-based education bringing out the best in every child. We focus primarily on preparing our students to be worthy citizens, refined in heart and mind and skilled enough to achieve paramount goals. Our earnest effort is to provide a conducive learning environment to each and every student so that when they go out of the portals, they brim with confidence and emerge as the leaders of tomorrow and I feel delighted to announce we are able to groom our students in such a way that our alumni are leaders of tomorrow, to support my words some examples are:

1. A student named Ashwini a Sai Dham pass out is working as Software Engineer at Damco Solutions Pvt. Ltd. and drawing a salary of 7 lakhs per annum.
2. Another student of Sai Dham after doing his Bachelors in Pharmacy with 92.45% is currently under training at Government Hospital, Tigaon CHC.
3. Next in row is Gaurav Gupta alumnus of Sai Dham, who performed well in class XII CBSE Board exams 2024 in PCB stream got admission in Bachelors of Physiotherapy at Manav Rachna University with scholarship of 75% in the schedule of fees.

This is not the end we have many more such examples to share. The sapling planted by our mentor Dr. Motilal Gupta is a big tree now and giving sweet fruits and creating opportunities for many at present and for the centuries to come.

Seeking your kind support

Shirdi Sai Baba Temple Society, by philanthropic support, has established its name in structuring the core of the children in such a manner that the children become privileged children of the parents and respectful citizens of the country.

Objective

Shirdi Sai Baba Schools are EDUCATIONAL INSTITUTIONS like other best schools - BUT AT NO COST TO THE PARENTS!! – Provide 100% free and quality education to the less fortunate, nutritious food, uniforms, books, stationary, medical benefits, and care is taken for their personality developments. The activities being rendered by the institution have been lauded by one and all including several dignitaries.

Rational

Doubtless, education is the most powerful catalyst for social transformation. Realizing this, Shirdi Sai Baba Temple Society, beginning in the corridors of education, adopted unique life cycle approach of development, focussing its interventions on less fortunate children, their families and the larger community.

Support for purchase of high-grade Computers

In line with our mission of uplifting the underprivileged, we have initiated of equipping the underprivileged students with computer programming skills that will empower them to pursue careers in various emerging fields such as software engineering and applications, multimedia, animation, web development, cyber-security, data science, and many more.

Support under Corporate Social Responsibility

The Activities are implemented as guided under Companies Act 2013, Section 135, Schedule VII Clauses I, II and III of Corporate Social Responsibility (CSR) as prescribed by Ministry of Corporate Affairs, New Delhi.

To continue with the noble causes, we humbly request you to please grant us your valuable support under CSR.

1. Sponsoring Education

You may kindly sponsor free and quality education of a few children @ Rs. 16,000/- per child per year with uniforms, books, study material, health care, and excursions.

2. Sponsoring Food for the studnets

You may kindly sponsor food for 1500+ children @ Rs. 15,000/- per day.

3. Sponsoring Mass Marriages

Mass Marriages of 100 girls hailing from less fortunate families are performed four times in a year in batches of 25 each, to reduce burden of the parents. You may kindly sponsor mass marriage @ Rs. 25,000/- per marriage.

Python Classes

Data is essential to organizations of all sizes, from business houses to governments. As we explore in the Data Camp Data Literacy Report, organizations across industries are relying on vast amounts of data to uncover valuable insights, optimize decision-making processes, and enhance customer experiences.

Python is a pivotal tool for organizations to harness data's full potential. As the most popular programming language today, Python is an open-source, general-purpose language with broad applicability in many domains of software development, including web development, gaming, and, of course, data science and AI.

Starting your teams' data science journey with a Python training program is a strategic move. Data Camp provides world-leading curricula, a comprehensive learning platform, and flexible plans to meet their needs.

IMPACT OF SAI DHAM

Varsha

Varsha, an Alumna of Sai Dham who after her schooling, due to her family conditions, had to migrate to Delhi to fill their empty stomachs. The whole family worked as labourer, but due to her passion for studies she kept on her hard work of learning. She is now appointed as Primary Teacher in Kendriya Vidyalaya, Khatima, Uttarakhand on permanent basis. Her gross salary is Rs.8.00 Lakh per annum. She spent a week to motivate students of Shirdi Sai Baba School to achieve greater heights to uplift their families.

Yogesh

Yogesh, an Alumna of Sai Dham set an example for others to learn from his dedication of doing something big since his childhood. Even though he belongs to a very poor family but his goal was to achieve heights and it paid off well. Today he is running a successful business of Batteries and RO Services and he is able to earn more than 15 Lakhs per year, keeping the motive of Sai Dham to uplift the underprivileged.

Arjun Singh

Arjun Singh an alumna of Shirdi Sai Baba School, has done D. Pharma from Lingayas Vidyapeeth Faridabad with 92.45%. He belongs to under privileged family where his father has very simple and small ration store. He has two more brothers and one sister. It was difficult for his parent to educate the children. In such difficult situation, he selected his own path and took admission in Shirdi Sai Baba School which is providing free education. Currently, he is doing training at CHD Government Hospital, Tigaon (Faridabad).

Diya Chaudhary

"A dream doesn't become reality through magic, it takes determination and hard work."

Such a dream of Diya, getting education has been fulfilled, when she stepped in Shirdi Sai Baba School for free and quality education. She had given up hope of further education as her father Mr. Lalit Chaudhary became jobless. Her mother went in depression. Suddenly her father came to Shirdi Sai Baba Temple and came to know about its school which imparts free and quality education by its Chairman Sir Dr. Motilal Gupta. Under the able guidance of her Principal Mam and teachers she got an opportunity to shine for excellence be it in academics, sports or co-curriculars and to regard learning as a joyous process. She always received the chance to show case her talents. She is able to explore and express her creative thoughts and ideas. She expands her learning curve in a collaborative environment. She scored with 91% marks in CBSE Board Examination of class 12th. We wish her best of luck in all her future endeavours.

BRILLIANT STUDENTS STORIES - 2024

Gaurav Gupta

"Education is the most powerful weapon which you can use to change the world"

The above quote slotted by Nelson Mandela stood 100% correct for one of our student Gaurav Gupta. He is a bright student and his brightness came out with flying colours by taking admission in Shirdi Sai Baba school. He belongs to economically weaker section of the society. His father is a simple mechanic and mother housewife. He got admission in Shirdi Sai Baba School and worked hard persistently. He performed very well in all exams with good marks, grabbing every year first, second or third positions. In class 12th CBSE Board Examination he secured 82% marks in PCB stream. With the help of Shirdi Sai Baba School, he got chance to participate in scholarship test organized by Manav Rachna University, Faridabad. He cleared the test with good marks. As a result, he got admission there in 'Bachelor of Physiotherapy with 75% scholarship. He is grateful to Shirdi Sai Baba School for changing his life to betterment.

Jeeya Madan

"Decisions determine destiny"

How true these words are for Jeeya Madan, born in a very poor family. Her mother Ms. Vidushi Madan is a single parent, she was not able to give her education. It's a big challenge for her and her mother also. But by one of her neighbor, she came to know about Shirdi Sai Baba School, providing free education. Jeeya got admission in the school. Despite of many hurdles in her life, she became a mark of strength, sincerity and regularity. Shirdi Sai Baba School has been striving to facilitate her talent and potentials to emerge as a bold, confident and assertive person. The exposure that she received here is truly tremendous. As a result of that she obtained 91% marks in CBSE 10th Board Examination. Now she is in class 12th PCB and pursuing NEET coaching from Sai Dham Academy also. Her aim is to become a successful cardiologist. We wish her bright future.

Kajal Sharma

"When the 'Going' gets tough, 'Tough' gets going"

It 100% applies to Kajal who is the determined, sincere and dedicated student of class 11th PCB. Kajal's father is working as a carpenter and could not afford to educate Kajal and his two siblings. Her father approached Shirdi Sai Baba School where she got admission. Kajal has proved to be very good in her academic performance. She got 88.2% marks in 10th CBSE Board Examination. She gives total credit for all this to Dr. Motilal Gupta, the chairman, for providing her ample opportunities to pursue her dream of studying. Shirdi Sai Baba School wishes her very best for her bright future and we are confident that she will succeed in her life.

Sai Dham Activities

Shirdi Sai Baba Temple Society, registered in 1988, is a non-for-profit free educational Institute and aims to have a positive impact on the society. It works towards implementing holistic social development projects across multiple causes including Education, Women's Empowerment, Skill Development with placement, Health Care, Mass Marriages, and Distribution of Clothes and Livelihood.

Independence Day Celebrations at Shirdi Sai Baba School, Faridabad

1. Free & Quality Education

Touched by the plight of poor children from neighboring clusters, loitering aimlessly around our campus, it occurred to us that these children needed an opportunity to be educated along with some incentive to motivate them to do so. We, therefore, in April 2004, established 'Shirdi Sai Baba School' at Faridabad (Haryana) for providing 100% free and quality education to underprivileged children with food, uniforms, books, study material, sports, health care and excursion. The motivation to underprivileged people bore fruit and the number of children has since risen to 1500+ at Faridabad 450+ at Niswara Dist Mahoba – Backward Bundelkhand in UP out of which over 50% are girls at both centres. The schools are as good as any public school in India and the school at Faridabad is now affiliated to CBSE upto Senior Secondary level with English medium and school at Niswara is upgraded upto 12th class by Uttar Pradesh Madhyamik Shiksha Parishad.

KG Class Activity

(a) Preschool-KG classes

It is a well-known reality that a child Brain development happens mainly between 3-6 years. underprivileged kids in this age-group need special attention. Keeping this in view we have setup Preschool-KG classes on the basis of Performing Arts under the guidance of Buildingkidz Inc USA since 2017-18. This has resulted in their better performance and an increase in their desire to study. We have noticed that there has been a distinct improvement in their IQs.

(b) Initial hurdles

Initially when the school was started the absenteeism in the school was very high and even the parents were reluctant to send their wards to the school, instead expecting them to work and add to the family income.

(c) High Quality Computer Education

To make education of these children compatible with the modern technology, we have set up new technology based five computer labs consisting of 151 computers, internet, printer and LCD with coaching under the direction of NIIT for the overall development of these children. We have also introduced computer courses like Python Coding, XL for Professional etc. for students of 9-12th classes.

Computer Class

One of the Smart Classes

(d) Smart Classes

For bringing a successful transformation to Digital Technology, Thirty four Smart Classes, with 'Interactive Boards and Projectors' have been introduced where teachers now use videos, animations, live images and captivating graphics right inside their classrooms making learning more interesting and effective for the students.

(e) Excursions

Students are sent on excursion trips on time to time to Ranthambhore Sanctuary, Agra, Fatehpur Sikri, Bharatpur Bird Sanctuary, Amrit Udyan (Mughal Gardens), and other places in and around Delhi at institution's expenses to provide them recreation and enrich their knowledge.

(f) Changes brought in

Nutritious food and regular health care have not only brought healthy glow and cheers on the faces of these children but have also brought in a great improvement in the interest that these children are now showing in their studies and in the regularity of attending the school.

(g) Other Facilities

A well-furnished library, excellent chemistry, physics, biology and maths labs, meditation and cultural activities with indoor and outdoor sport facilities are also provided to the students.

We are humbled to say that with support of philanthropists like you, the school is acknowledged as one of the best schools by CAREER 360. One of our student Sandeep, has cleared JEE Advanced 2023 and has got admission in IIT RAM Ahmedabad. Another brilliant student and an orphan Jai Prakash Tomar, brought up by us, has got a permanent job in Indian Army.

(I) Branch of School in village Niswara, Dist Mahoba, Backward Bundelkhand in U.P.

Since education is essence of progress, it needs innumerable temples of learning. Our NGO is committed to promote free and quality education in the country to ensure that no child remains illiterate. In pursuance of this mission, we set up replica of Shirdi Sai Baba School in Bundelkhand's backward village Niswara, Block Panwari, District Mohaba (UP).

3. Mass Marriages – A Real Boon to Poor Families

To mitigate hardship of poor parents, mass marriage of about 100 girls are performed in four batches of 25 each in a year, irrespective of caste, creed and without any expenditure to their parents. So far more than 1200 marriages have been performed. This is being primarily done to solve difficulties, poor people face in arranging funds for marriage of their daughters for which they often are forced to borrow few thousand rupees on interest even at 5% per month that many a times they are unable to repay throughout their lives. Thus by the assured savings they can now spend more money on the education of their daughters.

Homeopathic Clinic at Sai Dham

4. Health Care Services

When the Organization was established in 1988, a need was felt that we should serve the cause of the poor and needy through health care. Therefore, many charitable dispensaries were established which are serving about 500 patients per day through:

1. Homeopathic Clinics
2. Gynaecology Clinic 3. Eye Clinic. 4 Acupressure
5. Psycho Neurobic Clinic (Cure of seven chakras without medicine)
6. HIV-AIDS and Family Planning awareness. 7. TB Awareness
8. Blood Donation and COVID 19 Vaccination Camps.
9. Vaccinated two doses of Cervical Cancer Vaccine to girls between 9 - 20 years of age.

5. Distribution of Clothes

In India 60-70% tribal and poor people do not have adequate clothes to cover their bodies. The situation is worse during winter season. We collect unsoiled old clothes, toys, shoes, and utensils etc., recycle them and send two truck-loads per month to our associates in Bihar, Jharkhand, Chhattisgarh, Madhya Pradesh, Uttar Pradesh and Maharashtra for free distribution to tribal and poor people.

6. Conversion of waste into Organic Compost and Bio enzyme

Students are being taught to convert kitchen and garden waste including kitchen waste of their houses into Organic Compost. Thus reducing accumulation of waste and converting it into useful pesticides free of chemicals. Also making Bio Enzyme through fruit peels.

7. Trees Planting Initiative of Sai Dham

As Trees take carbon dioxide from the atmosphere for their own growth and produce oxygen which we breathe, Shirdi Sai Baba Temple Society (Sai Dham) has planted and is maintaining 69 Neem Trees at Sai Dham Marg, Sector 86, Faridabad on the verge of the road, at a distance of about 20' each with bamboo sticks to keep them straight and tree guards.

8. Sai Dham Garden

Sai Dham's initiative for mother nature will be advantageous to generations to come as it will give shade, clean & cool air, and place for birds to make nests. The tree is of great importance for its disinfectant properties. It is used for maintaining soil fertility and its extract is added to fertilizers as a nitrification inhibitor. Neem has traditionally been used as a teeth cleaning twig. It is also useful for cure of many diseases.
